Oooooooooooh  
Oooooooooooh  
Oooooooooooh  
Oooooooooooh

Long days and nights you fought for truth  
Gotta hand it to you  
Uprise and paid for in blood  
Only to love  
We're gonna hang you up  
You've got balls but.....

We got the whip  
we got a better bomb  
We got the whip  
We got the whip  
we got a better bomb  
x2

Oooooooooooh  
Oooooooooooh

Heartache and strife is all you've known  
A slave since your youth  
And only one life to bargain with  
Admiration is due  
We're gonna string you up  
You've got balls but.....

We got the whip  
we got a better bomb  
We got the whip  
We got the whip  
we got a better bomb  
x2  
\*Guitar Piece\*

Yeah  
Fearlessness in the face of death  
Hand it with a smile  
Braving the fight until the end  
I know I will never be like you

We got the whip  
we got a better bomb  
We got the whip  
We got the whip  
we got a better bomb  
x2
