And when you wanted me,
I came to you.
And when you wanted someone else,
I withdrew.
And when you asked for light,
I set myself on fire.
And if I go far away,
I know you'll find another slave.

Now I'm free
From what you want.
Now I'm free
From what you need.
Now I'm free
From what you are.

And when you wanted blood,
I cut my veins.
And when you wanted love,
I bled myself again.
Now that I've had my fill of you,
I'd give you up forever.
And here i go far away,
I know you,
You'll find another slave.

Now I'm free
From what you want.
Now I'm free
From what you need.
Now I'm free
From what you are.

Then a vision came to me
When you came along.
I gave you everything but then
You wanted more.

Now I'm free
From what you want.
Now I'm free
From what you need.

Now I'm free
From what you are.

Now that I'm free
From what you want.
Now that I'm free
From what you need.
Now that I'm free
From what you are.
