You can look a hurricane right in the eye  
Twelve hundred people dead or left to die  
Follow the leaders  
Were it an eye for an eye  
We'd all be blind, deaf or murdered  
This im sure  
In this uncertain time

So come pull a sheet over my eyes  
So I can sleep tonight  
Despite what I've seen today  
I find you guilty of the crime  
Of sleeping (at a) time when you should have been  
wide awake

Down on the road the world is floating by  
The poor and undefended left behind  
While you're somewhere trading lives for oil  
As if the whole world were blind

So come pull a sheet over my eyes  
So I can sleep tonight  
Despite what I've seen today  
I've found you guilty of the crime  
Of sleeping (at a) time  
When you should have been wide awake

Come pull this sheet over my eyes  
So I can sleep tonight  
Despite what ive seen

I found you guilty of the crime  
Of sleeping in a time  
When you should have been wide awake

Wide Awake  
Wide Awake  
Wide Awake  
Wide Awake  
Awake
