Leather skin

Lately, it's what I've been thinking about

This alien girl from above, we can share our love

I got it good for a woman

She's something else, she's not quite human

I got it good for a woman

She's something else, she's not quite human, human

Venusian Queen

You're so bright, the sun gets mean

I swear it's a dream

But I pinch myself and you're still green

I got it good for a woman

She's something else, she's not quite human

I got it good for a woman

She's something else, she's not quite human

I'm head over heels for this space case

Something rhymes and no one fades

I got it good for a woman

She's something else, she's not quite human

My head's spinning

Around the world and back again

My head's spinning

Around the world and back again

I got it good for a woman

She's something else, she's not quite human

I got it good for a woman

She's something else, she's not quite human
