Leather skin  
Lately, it's what I've been thinking about  
This alien girl from above, we can share our love

I got it good for a woman  
She's something else, she's not quite human  
I got it good for a woman  
She's something else, she's not quite human, human

Venusian Queen  
You're so bright, the sun gets mean  
I swear it's a dream  
But I pinch myself and you're still green

I got it good for a woman  
She's something else, she's not quite human  
I got it good for a woman  
She's something else, she's not quite human

I'm head over heels for this space case  
Something rhymes and no one fades  
I got it good for a woman  
She's something else, she's not quite human

My head's spinning  
Around the world and back again  
My head's spinning  
Around the world and back again

I got it good for a woman  
She's something else, she's not quite human  
I got it good for a woman  
She's something else, she's not quite human
