Artist: Green Day

You come around every now and then
Your clothes are different but you're still the same
Why else would you come here?
Scumbag on a mission

You're tellin me that its been awhile
Shit-eating grin and a brand new lie
Somebody let you come here
Scumbag with permission

Never thought I'd see
The likes of you around this place
What's the special occasion?
Did you run out of friends?

Here you are, comin 'round again
And things are different but you still pretend
You've got a reason to come here
Scumbag with ambition

And now you're telling me that things have changed
And you'll be leavin in a couple days
You're gonna change the world someday
Scumbag with a vision

It must be nice to know
You've got it all figured out
But from where I'm sittin
It's the same thing again and again

You never stopped to think
Before you opened up your mouth
Cuz every time you do
It's the same thing again and again
