I know that you've been lonely
I've been losing my mind
Hurtling down the highway
In this Ford Econoline

But everything's alright now babe
More than you know
We drive all night gal
'Cause I'm coming home to you
I'm hurtlin' home to you

I know you've waited for me
And I have been loyal to my heart
Ten thousand miles
Can't tear our love apart

But everything's alright now babe
More than you know
We drive all night gal
'Cause I'm coming home to you
I'm hurtlin' home to you
