"Long Day"

It's been a long day
Breaking my back for pay
It's been a long day
Working my life away
It's been a long day
Sucking my ego in
It's been a long day
And it's just begun
It's been a long long long long long long
Its been a long long day
Its been a long day
Living from paycheck to paycheck
Existing, 5 days from homelessness
Long day, living the wrong way
One more long day,
You'll never get that time again
Building up the boss's wealth
"at least you've got your health"
Long day, living the wrong way
One more long day,
You'll never get that time again
Always remember the longer you live,
The sooner you get to die
