Na na na na na, oh (uh uh) [4x]

[Eve]

Yo, you was the last dude  
I thought I'd be attached to  
Caught me off guard  
Started feelin' on my tatoo  
Knowing back then  
You would spit in my ear  
I don't want to scare you  
But I think that we should disappear  
Homie, we ain't known each other very long  
Now you trying to lock me in the room, trying to turn me  
on  
Any other time, I could resist  
Now my will is gone  
Getting weak, that ain't E-V-E  
Hell, it's going on

Oh, I'm tryin' to let it go  
Tryin' to keep my eyes closed  
Tryin' to keep it just like before  
The times we never even thought to speak  
Don't want to tell you what it is  
Ooh wee, it felt so serious  
Got me thinkin' just too much  
I wanna shout it out but...

[chorus]

It's this one thing that got me trippin'  
It's this one thing that got me trippin' (you did)  
This one thing that so made me feel it  
It's this one thing you did, oh, oh, ooh, oh  
It's this one thing that caught me slippin'  
It's this one thing, I want to admit it (you did)  
This one thing and I was so with it  
It's this one thing you did, oh, oh, ooh, oh

Hey, we don't know each other well  
So what? I keep thinking to myself  
Memories, just keep ringing bells  
Oh-wo-wo-wo-wo (ding-ding, ding-ding, ding)

Hear voices, I don't want to understand  
My car keys are jingling in my hand  
My high heels are clickin' towards your door  
Oh-wo-wo-wo-wo (ding-ding, ding-ding, ding)

[chorus]

It's this one thing that got me trippin'  
It's this one thing that got me trippin' (you did)  
This one thing that so made me feel it  
It's this one thing you did, oh, oh, ooh, oh  
It's this one thing that caught me slippin'  
It's this one thing, I want to admit it (you did)  
This one thing and I was so with it  
It's this one thing you did, oh, oh, ooh, oh

And maybe I just can't believe it  
It's this one thing you did, oh, oh, ooh, oh  
I can't deny, tired of tryin'  
Nothin left to do but to keep on seeing you  
I'm hopin' you can keep a secret  
(For me, for me, for me)  
Look what you did, yeah

[chorus]

It's this one thing that got me trippin'  
It's this one thing that got me trippin' (you did)  
This one thing that so made me feel it  
It's this one thing you did, oh, oh, ooh, oh  
It's this one thing that caught me slippin'  
It's this one thing, I want to admit it (you did)  
This one thing and I was so with it  
It's this one thing you did, oh, oh, ooh, oh

Oh-wo-wo-wo-wo, oh-oh-oh-oh-oh (I can't help to simply agree)  
Oh-wo-wo-wo-wo, oh-oh-oh-oh-oh (It's just, I don't know, it's there)  
Oh-wo-wo-wo-wo, oh-oh-oh-oh-oh (I don't want to fight it)  
Oh-wo-wo-wo-wo, oh-oh-oh-oh-oh

[Eve]

Slipped up, let you in my space  
Got it chicksed up  
Close my eyes, see your face, that's a bit much  
I ain't the type to get strung all out  
Now when I sit and dial your number, got my tounge all out  
Wouldn't never tell you though, almost, cause I would never show  
Gotta keep it to myself, gotta keep it low

You got me trippin', who you thought it would be?  
Keep it knockin' with E-V-E & Amerie, c'mon  
(Oh-Oh, Don't know what it is...)

[chorus]

It's this one thing that got me trippin'  
It's this one thing that got me trippin' (you did)  
This one thing that so made me feel it  
It's this one thing you did, oh, oh, ooh, oh  
It's this one thing that caught me slippin'  
It's this one thing, I want to admit it (you did)  
This one thing and I was so with it  
It's this one thing you did, oh, oh, ooh, oh

Oh [4x til fade]
