[In my heart, you're all I need, you are all I need,  
need!]

I feel like you're the only one  
I feel what pain you kept me from  
I feel so different from the way I used to be  
Soul searching always my excuse  
Didn't wanna face love, didn't know the truth  
So clear to me now, babe

[Cause you're all I need]  
Cause in my heart

[chorus]  
(In my heart, you're all I need)  
You're all I need  
(You are all I need)  
You're all I need  
(In my heart, you're all I need)  
You're all I need  
(You are all I need)  
Need  
You're all that I (need)

I love you  
I've never, never felt like this

I feel like you're the only one  
I feel this loneliness undone  
And I just can't see myself  
Without me in your arms (in your arms)  
If I had one last sunset to see  
One day, one last deep breath to breathe  
No tears would fall, knowing that you're  
All I need

[chorus]  
(In my heart, you're all I need)  
You're all I need (said, you are all I need, babe)  
You're all I need (yeah)  
You're all I need (in my heart, you're all I need)  
You're all I need (you are all I need)

You're all I need  
You're all I need (in my heart, you're all I need)  
You're all I need (everything I need)  
You're all I need (never thought, never thought I would  
feel like I do)  
You're all I need (in my heart, you're all I need)  
You're all I need (you are all I need)  
Need  
[repeat with adlibs]  
  
[chorus until fade]
