I never knew real love, real love
Till you were mine and I
And I never knew each touch
Between us would feel like the first time
The very first time, well

See I remember the days of hurt and pain
Just wouldn't let go
And now every night shines so brightly
And I know, I know I'm not alone
Not alone no more, no

I can't let go, I can't let go, I
I can't let go, let go
All I know, all I know, all I know
I know, I know
Is I can't, I can't let go

There's so much of you, your love
Your love inside my heart
Words can't really explain
Explain and I

I just don't believe, I don't believe
That I can go on
If I ever let it slip away, slip away

All I want to do is love you
Everyday, everyday
Now until forever, we belong
Your heart belongs to me
And that's just the way it's suppose to be
'Cause I won't let you go

I can't let go, I can't let go, I
I can't let go, let go
All I know, all I know, all I know
I know, I know
Is I can't, I can't let go

I can't let go, I can't let go, I
I can't let go, let go

All I know, all I know, all I know
I know, I know
Is I can't, I can't let go

Now ever since we first met
I knew that you were the one for me, for me
And I, I promised myself that
I would never let you leave, no no no no no no

Never lettin' you leave
Never lettin' you go
Never lettin' you be
Not ever until I know that you
You belong to me

Never lettin' you leave
Never lettin' you go
Never lettin' you be
Not ever until I know that you
You belongs to me, baby

Never lettin' you leave
Never lettin' you go
Never lettin' you be
Not ever until I know that you
You belong, you belong to me

Never lettin' you leave
Never lettin' you go
Never lettin' you be
Not ever until I know that you
You belong to me

Never lettin' you leave
Never lettin' you go
Never lettin' you be
Not ever until I know that you

Never lettin' you leave
Never lettin' you go
Never lettin' you be
Not ever until I know that you

Never lettin' you leave
Never lettin' you go
Never lettin' you be
Not ever until I know that you
You belong to me
