[Intro:]
It's hard for me to say this,
But I got a crush on you.

Come on!!!

[Verse 1:]
I wish I could taste your love, lick it off of my fingertips,
Boy what ya doing to me.
I wish I could save your kiss, for some other girl to taste,
To see the expressions on her face.

[Bridge:]
Whenever you are near me,
There's no other place I'd rather be.
You're like a star that can't be reached,
So near but so far,
You are...

[Chorus:]
I need your arms around me,
Please let me be your everything,
I'll be your girl for just tonight,
Boy don't you know you are my crush

[Verse 2:]
I wish I could wear your touch, like pumps when I'm dressing up,
Without you I'm incomplete.
I wish I could steal you boy, lock you up and throw away the key,
Cause you're the only one for me.

[Bridge:]
Whenever you are near me,
There's no other place I'd rather be.
You're like a star that can't be reached,

So near but so far,
You are...

[Chorus:]
I need your arms around me,
Please let me be your everything,
I'll be your girl for just tonight,
Boy don't you know you are my crush

[Verse 3:]
(I want this sometimes) I wonder could you ever feel
the same.
(I get lost in your arms) Nothing else to see, because
there's no-one here but me & you.

[Chorus:]
I need your arms around me (You know it feels right)
Please let me be your everything (I know it feels right),
I'll be your girl for just tonight (Boy let me know),
Boy don't you know you are my *Crush* (Oh Yeah-Yeah-
Yeah)

[Chorus:]
I need your arms around me (I need your arms around
me),
Please let me be your everything (So let me be your
everything),
I'll be your girl for just tonight (For just tonight),
Boy don't you know you are my (Crush) (Boy! you are
my...)

[Outro:]
Ah Ah Ah Ahhhhhhhhhhhh
Ah Ah Ah Ahhhhhhhhhhhh
Ah Ah Ah Ahhhhhhhhhhhh
