Staring in the mirror as I  
Start to carefully contemplate  
Just really how deep is this thing I have for you  
It's wearing on my heart  
And from the start you know I tried, steadily denied  
Friendship turn to love  
I know you probably think that I'm so strange -  
Stuttering on every word when you look my way, oh  
why?  
And maybe it's all in my mind  
But when we hugged goodbye, I had butterflies  
I just died, yeah, yeah, yeah, yeah  
I just died in your arms tonight  
Don't want nobody bring me back to life  
I just died in your arms tonight, hey  
I just died in your arms  
I just died in your arms tonight,  
Tonight  
Your finger hushed my lips  
As I tried to explain  
Maybe why you and I should hide  
From such a love affair  
My friends think that I'm so insane  
To fight this feeling  
But my life's at stake  
Your embrace, thoughts  
Won't erase (Won't erase)  
Every hour, minute of the day  
I'm waiting hoping, praying (Hope and pray)  
That you might stay  
And now you're moving oh so closely  
Killing me  
So softly, so softly, I just died  
I just died in your arms tonight  
Don't want nobody bring me back to life  
I just died in your arms tonight, hey  
I just died in your arms  
I just died in your arms tonight  
Tonight  
I just died in your arms tonight (yeah yeah yeah yeah)  
Don't want nobody bring me back to life  
I just died in your arms tonight, hey (oh)

I just died in your arms (I just died in your arms)  
I just died in your arms tonight  
Tonight  
(Laughing)  
Whoa whoa  
Whoa whoa  
Whoa whoa whoa  
Whoa whoa  
I just died in your arms tonight  
Don't want nobody bring me back to life  
I just died in your arms tonight, hey  
I just died in your arms  
I just died in your arms tonight  
Tonight  
I just died in your arms tonight  
Don't want nobody bring me back to life  
I just died in your arms tonight, hey  
I just died in your arms  
I just died in your arms tonight  
Tonight
