For all nations
New combination
DJ Kore Phoenix EMC
And the girl Amerie
One thing for sure...
It's Rai'n'b fever

I see you in the crowd
Look over my shoulder
Maybe I'll tell you now
Tell you that it's over
I know you wanna talk
You call my phone 3 times
But I can't take you now,
Yes I've made up my mind

No! I won't take you back
I gave you many chances
No! I won't change my mind
Can't you understand it?
No! You can't come back home
Under no circumstances
Yes, c'est la vie I'm wrong
Ain't no second chances

[REFRAIN:]
Nananananana nananananana
Losin' you is so easy to do
Nananananana nananananana

Losin' you was the best thing that happen to me

They say you've tried to change
Give you just one more chance
I know you'll stay the same
Sick and tired of girl lies
I used to press you
And I didn't see the sign
But I can't take you now,
Yes I've made up my mind

No! I won't take you back

I gave you many chances
No! I won't change my mind
Can't you understand it?
No! You can't come back home
Under no circumstances
Yes, c'est la vie I'm wrong
Ain't no second chances

[REFRAIN]

But now you know that this is over
And it's not something you get over
So when you are all alone
Remember how it felt to hold me.
