I mean  
I ain't gon lie to you  
See, you can have me  
If you wanna do something  
I can't say  
I'll always be there for you  
And I can't say  
That you're the only one  
See all I know  
Is whatever I'm feelin for you  
Seems to be so deep  
Deep in my soul  
And I, and I  
Might be a fool to want you babe  
But I ain't gon lie  
It's all about me tonight  
Don't wanna think about tomorrow  
See I'm not sure what it is  
But the only thing on my mind  
Is your kiss  
Your kiss baby cause I  
I, I, I  
Need you tonight  
Night, night, night  
To see you  
It feels so right  
Right, all right  
Just seeing you  
Need you tonight  
Baby come on  
I, I  
Ain't never felt this way  
And tomorrow is just to late  
Take my hand baby  
Baby tonight  
See, See baby I  
I ain't makin no promises  
It's just a urgency I feel  
Whenever you're next to me  
It's so real  
And I  
And I just can't fight it no more, no more, no more

Let me show you love  
Like you ever knew before  
Before baby  
I, I, I (yeah)  
Need you tonight  
Night, night, night (I need you)  
To see you  
It feels so right  
Right, all right  
Just seeing you  
Need you tonight  
Baby come on  
I, I  
Ain't never felt this way (oh)  
And tomorrow is just to late (oh)  
Take my hand baby  
Baby tonight (yeah)  
Take my hand  
Don't wanna think  
Don't wanna think about  
Don't wanna think  
I don't wanna think about tomorrow  
You are, you are  
You are  
You are what I want (oh)  
You are what I need (oh oh)  
In my arms tonight (yeah)  
I, I, I (oh)  
Need you tonight  
Night, night, night (oh oh)  
To see you (oh oh)  
It feels so right  
Right, all right  
Just seeing you  
Need you tonight  
Baby come on  
I, I  
Ain't never felt this way (I ain't never felt)  
And tomorrow is just to late  
Take my hand baby  
Baby tonight (your kiss baby cause I)  
I, I, I (oh)  
Need you tonight  
Night, night, night  
To see you  
It feels so right  
Right, alright (oh)  
Just seeing you  
Need you tonight  
Baby come on  
I, I

Ain't never felt this way (I ain't never, I ain't never)  
And tomorrow is just to late  
Take my hand baby  
Baby tonight (What you wanna do baby)
