(Push It To The Limit)
I Never Thought About Trying The Second Round
So I Stay Focus
Gonna Live My Dream, Without A Doubt
(Push It To The Limit)
But Even Friends Of Mine
Thought I Was Wasting Time
They Didnt Think That I Would Make It
Trying To Change My Mind (Push It To The Limit)

Ages Keep On Dreaming, Cuz It Will Never Happen
They Keep On Trying, But Most People Fail
And We See It Happen (Push It To The Limit)
No Matter What Dey Said
I Just Moved Ahead
And When They Tried To Stop Me
I Just Pushed Harder Instead
(Push It To The Limit)

I Pushed And I Pushed , I Tried And I Tried
I Did My Best And Then I Prayed It Would Be Alright
(Push It To The Limit)
I Pushed And I Pushed, And Sumtimes I Cry
But I Make Sure That I Gave Everything I Had Inside
(Push It To The Limit)

Im Pushin' It (Push) [X3]

(Push It To The Limit)
Im Pushin' It (Push) [X3]
I Gotta (Neww Yorkk Cityy)
(Push It To The Limit)

Big City, Big Dreams
But All I Got Was Empty Promises It Seems
(Push It To The Limit)
Guaranteed For Me To Fail But I Just Had To Provail
Didnt Have No Plan B
I Just Gotta Make It(Push It To The Limit)
So Close To Given Up
I Needed Sum Advice
I Felt The Music Inside, And Couldnt Let It Die (Push It To

The Limit)

Dats What The Labels Wanted, All U Gotta Be Is Cute
