Never for a minute do i regret it  
seeing how it ended make me realize  
And yes we had our bad times  
but we had our good times  
And eventhough it ended we turned out alright  
It's been so long but i can remember  
(long talks and those long walks too)  
And we moved on but i still remember  
(for a minute i wanna go back wit you)

(Can i?)(Can i reminisce witcha?)  
And take it back to how it use to be oh why?

(Can i?)(Can i reminisce Witcha?)  
Let's reminisce on how it use to be  
Stirring up the memories  
woulda, coulda, maybes  
Everything that happen in the circumstance  
So happy for each other cause' both got new lovers  
But would we change the past if we had a chance?  
It's been so long but i can remember  
(long talks and those long walks too)  
And we moved on but i still remember  
(for a minute i wanna go back wit you)

(Can i?)(Can i reminisce witcha?)  
And take it back to how it use to be oh why, why?

(Can i?)(Can i reminisce Witcha?)  
Let's reminisce on how it use to be  
Ohhhhhhh,Ohhhhhhhhh  
(Can i?)(Can i reminisce witcha?)  
And let's go back, hey

(Can i?)(Can i reminisce Witcha?)  
Just for a minute babe, just for a minute babe

(Can i?)(Can i reminisce Witcha?)  
let's reminisce on how it use to be
