Hey  
Wait a minute  
Hey

I said  
?Baby, I love the way that you hold me  
And you touch me like you know me  
See I don't want nobody else?

And I, I'm 'bout to offer all I can give him  
'Cause I'm a slave to his rhythm  
I said I just can't help myself

'Cause baby I love ya and I trust ya  
You don't have to worry bout' nothing  
Oh, I'm alive right now, look at me

And I want ya, no I need ya  
And I'll do anything to please ya  
I just want you to take control of me  
(Take control)

I said hey  
(Hey)  
Show me how you want it now  
(Do you)  
Like it when I take it down  
I got everything  
And anything you need  
I wanna bring it to you, baby

Hey  
(Hey)  
Come a little closer now  
(Don't stop)  
Wanna go another round  
You got everything  
And anything I need  
Want you to bring it to me baby

Take control of me  
(Take control of me)

Take control of me  
(Take control of me)  
Take control of me  
(Take control of me)  
Take control

I said  
Baby, I got to tell you how much I love it  
The way you kiss my neck in public  
I try my best not to blush

Even when, an argument comes around  
You take the time to break it down  
And you're never ever in a rush  
Never never never, ever never never

And I'm scared and I'm nervous  
Trying is always worth it  
Oh I'm alive right now, look at me

And I want him, I need him  
I'll find him, I'll forgive him, I'll feed him  
I just want you to take control of me  
(Take control)

I said hey  
(Hey)  
Show me how you want it now  
(Do you)  
Like it when I take it down  
I got everything  
And anything you need  
I wanna bring it to you baby

Hey  
(Hey)  
Come a little closer now  
(Don't stop)  
Wanna go another round  
You got everything  
And anything I need  
Want you to bring it to me baby

Take control of me  
(Take control of me)  
Take control of me  
(Take control of me)  
Take control of me  
(Take control of me)  
Take control

Now if you feel what I feel  
Come and take control of me  
Don't you know how you're feelin'  
Just take control of me

'Cause you got my soul on fire  
And I feel just fine  
You got what I need na na na na  
(Na na na na, hey hey hey)  
Hey hey hey  
(Na na na na, hey hey hey)

I said hey  
(Hey)  
Show me how you want it now  
(Show me how you want it)  
(Do you)  
Like it when I take it down  
I got everything  
And anything you need  
I wanna bring it to you baby  
(Oh)

Hey  
(Hey)  
Come a little closer now  
(Come a little closer)  
(Don't stop)  
Wanna go another round  
You got everything  
And anything I need  
Want you to bring it to me baby

Take control of me  
(Take control of me)  
Take control of me  
(Lost to me)  
Take control of me  
(Take control of me)  
Why don't you come a little closer?

Hey  
(Na na na na, hey hey hey)  
(Na na na na, hey hey hey)

Hey, hey, hey
