Funny how it's hard to find the words sometimes you know

Wishin we could read minds

Don't wanna let our feelings show

So even if you say you don't understand

I'm willing to give as much time as I can

Every time our eyes meet

Every time our eyes meet

Be talkin talkin talkin talkin to me (talkin to me)

Talkin talkin talkin talkin to me

Just ain't no need for words to speak (oh)

Cause every time

Be talkin talkin talkin to me

Be talkin talkin talkin to me (Talkin to me)

Your always actin so composed and cool

Never got to many words for me (To many words)

You always turn your head and make sure I see (Just to make sure)

Baby ain't nothin' wrong with the love

That you and I dream of

So sweet

Your actions say more than your lips can speak

My friends say that they just can't see (They just can't see)

How a love unspoken can be so deep (Can be so deep)

And every time that you look my way

I see

What your heart wants to say to me

Every time our eyes meet (oh yeah)

Be talkin talkin talkin talkin to me (Talkin to me)

Talkin talkin talkin talkin to me

Just ain't no need for words to speak (Ain't no need for words)

Cause every time

Be talkin talkin talkin to me (no no no no no)

Be talkin talkin talkin to me

Every time our eyes meet (My eyes meet your, meet yours)

Be talkin talkin talkin talkin to me
Talkin talkin talkin talkin to me (To me)
Just ain't no need for words to speak
Cause every time
Be talkin talkin talkin to me (Every touch you give is like
your talkin to me)
Be talkin talkin talkin to me

oh yeah yeah oh
Talkin talkin talkin talkin to me
oh whoa yeah
talkin talkin talkin talkin to me

Every time our eyes meet (Every time)
Be talkin talkin talkin talkin to me
Talkin talkin talkin talkin to me (oh yeah oh)
Just ain't no need for words to speak
Cause every time (I hear you baby callin me just ain't no
need for words)
Be talkin talkin talkin to me
Be talkin talkin talkin to me

No need for words
yeah yeah yeah yeah yeah
yeah yeah yeah yeah yeah
yeah yeah yeah
oh oh
