Yeah, yeah
Yeah, yeah

Hoo oh, hoo oh
Hoo oh, hoo oh
Yeah, hoo oh
Yeah, hoo oh
Yeah

Been so fed up
Wit that lil' game
Mis-communication
I wish I had more to blame

Yeah, hoo oh
Yeah, hoo oh
Yeah

Been so long searchin'
So when you get close to me
It's what I been waitin' on
Finally I can breathe

Yeah, hoo oh
Yeah, hoo oh

That's what I'm talkin' 'bout
Every little kiss
That's what I'm talkin' 'bout
Every little touch
That's what I'm talkin' 'bout
Don't know what it is
That's what I'm talkin' 'bout
It's so serious

That's what I'm talkin' 'bout
That's what I'm talkin' about
That's what I'm talkin' 'bout
That's what I'm talkin' about
Every time your around
Every time he come around
That's what I'm talkin' 'bout

That's what I'm talkin' about

Yeah, hoo oh

Yeah, hoo oh

Yeah, hoo oh

Yeah, hoo oh

Yeah

So many tried before

And I've waited patiently

In the end it's always wrong

It's so hard for me to believe

That you can keep it goin'

Couldn't stop if I wanted to

So baby if you take my hand

Every day can feel brand new

Even when we disagree

Ain't no need to get loud

Everything is worth a kiss

Baby, that's what I'm talkin' 'bout

That's what I'm talkin' 'bout

Every little kiss

That's what I'm talkin' 'bout

Every little touch

That's what I'm talkin' 'bout

Don't know what it is

That's what I'm talkin' 'bout

It's so serious

That's what I'm talkin' 'bout

That's what I'm talkin' about

That's what I'm talkin' 'bout

That's what I'm talkin' about

Every time you're around

Every time he come around

That's what I'm talkin' 'bout

That's what I'm talkin' about

That's what I'm talkin' 'bout

That's what I'm talkin' about

That's what I'm talkin' 'bout

That's what I'm talkin' about

Every time you're around

Every time he come around

That's what I'm talkin' 'bout

That's what I'm talkin' about

That's what I'm talkin' 'bout

That's what I'm talkin' about

That's what I'm talkin' 'bout
That's what I'm talkin' about
Every time you're around
Every time he come around
That's what I'm talkin' about
That's what I'm talkin' about

Hey ay, hey ay, hey ay, hey ay
Boy, what you do to me
(Hey ay, hey ay)
So much to say about you
(Hey ay)
That's what I'm talkin' bout
(Hey ay)
So glad you came around

Yeah, hoo oh
Yeah, hoo oh
Yeah, hoo oh
Yeah, hoo oh
Yeah

Yeah, yeah
Yeah, yeah

'Cuz everythin' you do, yeah
That's what I'm talkin' 'bout
Every little kiss
That's what I'm talkin' 'bout
Every little touch
That's what I'm talkin' 'bout
Don't know what it is
That's what I'm talkin' 'bout
It's so serious

That's what I'm talkin' 'bout
That's what I'm talkin' about
That's what I'm talkin' 'bout
That's what I'm talkin' about
Every time you're around
Every time he come around
That's what I'm talkin' 'bout
That's what I'm talkin' about

That's what I'm talkin' 'bout
That's what I'm talkin' about
That's what I'm talkin' 'bout
That's what I'm talkin' about
Every time you're around
Every time he come around
That's what I'm talkin' 'bout

That's what I'm talkin' about

That's what I'm talkin' 'bout

That's what I'm talkin' about

That's what I'm talkin' 'bout

That's what I'm talkin' about

Every time you're around

Every time he come around

That's what I'm talkin' 'bout

That's what I'm talkin' about
