Most people say, they think, huh, well  
Why don't you get to know me

Don't be afraid to touch  
I know you think I'm a good girl  
Don't you think a girl like me can be  
(Touched)  
Don't be afraid to touch  
I know you think I'm a good girl  
Don't you think a girl like me should be  
(Touched)

He's lookin' like he can't believe this  
Always in my jeans  
And bet he don't know what I'm thinkin'  
(I wanna take him home with me)  
This here's gonna be my weekend  
I don't think he knows that I see him  
His body's got me weak  
(And I can't wait to see)

What it is I really want is for him  
To do to me what he wants to  
(Oh)  
He would want to, yeah  
(Oh)  
He can come inside my mind  
If he tried but he don't know how I want to  
(Oh)  
Baby, don't you know what you get from me

Don't be afraid to touch  
I know you think I'm a good girl  
Don't you think a girl like me can be  
(Touched)  
Don't be afraid to touch  
I know you think I'm a good girl  
Don't you think a girl like me should be  
(Touched)

I know I ain't been drinkin'  
Damn, he's got me leanin'

All up in my ear breathin'  
(Dance up next to me)  
We over here makin' a scene  
And I don't really care who sees  
I just want him to feel  
(The other side of me)

What it is I really want is for him  
To do to me what he wants to  
(Oh)  
He would want to, yeah  
(Oh)  
He can come inside my mind  
If he tried but he don't know how I want to  
(Oh)  
Baby, don't you know what you get from me

Don't be afraid to touch  
I know you think I'm a good girl  
Don't you think a girl like me can be  
(Touched)  
Don't be afraid to touch  
I know you think I'm a good girl  
Don't you think a girl like me should be  
(Touched)

Oh no, I like that  
Right there  
(Don't think)  
Baby just wait, don't move

What it is I really want is for him  
To do to me what he wants to  
(Oh)  
He would want to, yeah  
(Oh)  
He can come inside my mind  
If he tried but he don't know how I want to  
(Oh)  
Baby, don't you know what you get from me

Don't be afraid to touch  
I know you think I'm a good girl  
Don't you think a girl like me can be  
(Touched)  
Don't be afraid to touch  
I know you think I'm a good girl  
Don't you think a girl like me should be  
(Touched)
