[Intro- Amerie (T.I.)]

Most people say... (what they say shawty)
That they think... (What's that? That you all sweet and
innocent?)
Well... (Well you is ain't ya?)
Why don't you get to know me (Aight! C'mon! Aye!)

[Chorus-Amerie]

Don't be afraid to touch
I know you think I'm a good girl
Don't you think a girl like me can be (touched)
Don't be afraid to touch
I know you think I'm a good girl
Don't you think a girl like me should be (touched)

[Verse 1-Amerie(T.I.)]

He's lookin' like he can't believe this (Oh)
Always in my jeans (Oh)
And I bet he don't know what I'm thinkin', I wanna take
him home with me
This here's gonna be my weekend (Oh)
I don't think he knows that I see him (Oh)
His body gots me weak and I can't wait to see (C'mon!)

[Hook-Amerie(T.I.)]

What it is I really want is for him to do to me what he
wants to (oh)
He would want to, yeah (oh)
He can come inside my mind
If he tried but he don't know how I want to (oh)
Baby, don't you know what you get from me (What?)

[Chorus-Amerie]

Don't be afraid to touch
I know you think I'm a good girl
Don't you think a girl like me can be (touched)
Don't be afraid to touch
I know you think I'm a good girl
Don't you think a girl like me should be (touched)

[Verse 2-Amerie(T.I.)]

I know I ain't been drinkin' (Oh)

Damn, he's got me leanin' (Oh)
All up in my ear breathin'
We over here makin' a scene and (Oh)
I don't really care who sees (Oh)
I just want him to feel my love inside of me

[Hook-Amerie(T.I.)]

What it is I really want is for him to do to me what he
wants to (oh)
He would want to, (Oh) yeah
He can come inside my mind

If he tried but he don't know how I want to (oh)
Baby, don't you know what you get from me (what's
that?)

[Chorus-Amerie]

Don't be afraid to touch
I know you think I'm a good girl
Don't you think a girl like me can be (touched)
Don't be afraid to touch
I know you think I'm a good girl
Don't you think a girl like me should be (touched)

[Rap-T.I.]

Let me get you where I want you in your best night
gown
Yeah, I had a lot of women, you the best I found
If I offer you the chance, you neglect like how
With my hands like damn and my neck like wow
Lebanese, Puerterican, Light Brown
Say they heard I'm the king, wanna test my crown
Swerve on the things on the vet top down
I'm the realest with deals to ever rep my town
So you ever wanna get it off your chest, I'm down
How fly does a G-fly Jet Ride sound?
Triple black family stretcher S-5 down,
And your girl wanna talk about sex right now
While I hate them other rappers but respect my style
How I kiss on the legs while I dress lie down
Amerie, I wanna see with your hair let down
And your body soaking wet on the bed stretched out

[Chorus-Amerie]

Don't be afraid to touch
I know you think I'm a good girl
Don't you think a girl like me can be (touched)
Don't be afraid to touch
I know you think I'm a good girl
Don't you think a girl like me should be (touched)

[Outro-T.I (Amerie)]
Yeah Yeah! (touched)
Yeah I know you wanna be (touched)
What's happening, I know you don't know me or
nothing man,
but I been watching you, Why don't we go have a nice
time together
(Baby don't you know what you can get from me)
