Hey, hey, hey
Hey, hey, hey

(Oh) Hey, hey, hey
(Oh) Hey, hey, hey
(Oh) Hey, hey, hey
(Oh)

I bet she doesn't kiss you, babe
Like I used to kiss you, babe
I know she doesn't do it like me, yeah
Don't act like you don't miss this
Miss the taste of my lipstick
When it's written all over your face

But it's not my fault that you
Just now realize
That you didn't need her
And the grass ain't always greener
So don't feel away
There's nothin' to say
Just reminisce and think back-back to how we used to
be
When you used to be with me

Now that it's over
And you need a shoulder
Who's gonna love u like I did?
(Who, who, who's gonna love u right?)
Are you mad you ain't with me?
Do you hate that you miss me?
Who's gonna love u like I did?
(Who, who, who's gonna love u right?)

Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
(Oh)

You know it doesn't feel the same
You look at her and see my face
And now you don't know what you gon' do, no

You're sad you got it bad and
If I wasn't laughing

Then maybe I'd feel sorry for you

But it's not my fault that you
Just now realize
That you didn't need her
And the grass ain't always greener
So don't feel away
There's nothin' to say
Just reminisce and think back-back to how we used to
be
When you used to be with me

Now that it's over
And you need a shoulder
Who's gonna love u like I did?
(Who, who, who's gonna love u right?)
Are you mad you ain't with me?
Do you hate that you miss me?
Who's gonna love u like I did?
(Who, who, who's gonna love u right?)

Let me be the first one to say I'm sorry that things ain't
workin' out with your girl
But you shoulda known that karma would come back
around It's the way of the world
All the things you put me through, I'm so glad I'm over
you
Now you wanna hope it's not too late-ate-ate-ate-ate-
ate-ate-ate
So hold your breath and wait-ait-ait-ait-ait

Now that it's over
And you need a shoulder
Who's gonna love u like I did?
(Who, who, who's gonna love u right?)
Are you mad you ain't with me?
Do you hate that you miss me?
Who's gonna love u like I did?
(Who, who, who's gonna love u right?)

Who's gonna love u right?
Who, who, who's gonna love u right?
Right
Who, who, who's gonna love u?
