[Ludacris]

Amerie, Ludacris remix!

[Ludacris]

We sippin on a little Veuve with the orange label  
Hershey's syrup from your lips to your navel  
Head comin off the table  
I'm willin and able, and love it when you get mad  
After ssssss, then wipin you down with warm rags  
I'm rich how did I do it? Man, I take 'em under  
It's 'cause I roll craps with Ray Charles and Stevie  
Wonder  
So tell me what you need 'cause it's so important  
That I make you feel good like Billy Bob Thornton,  
c'mon!

[Amerie]

So many things I'm goin' through  
So much that I wanna do  
It's startin' to become so clear to me  
Tomorrow ain't really guaranteed  
So many days I've thought of you  
It's about time you knew the truth  
Got to act quickly, you and I  
And fall in love, so many reasons why

[Chorus - Amerie]

Why don't we (So why don't we),  
Why don't we, why don't we (Yeah) Why don't we, fall in  
love (Why  
Don't we fall in love? It's so many reasons, It's the only  
thing that matters to me)  
Why don't we fall in love?

[Amerie]

It takes such a load off to let you know  
That you're the only one I never want to go  
Things I never did now I want to do  
A love I never felt, now I feel for you  
Why don't I just swallow each and every ounce of my  
pride?  
Everything you do I wanna feel again

Ain't no use for us to pretend

[Chorus - Amerie]

Why don't we ( Why can't we, why can't we, why can't we, we, we, can't we fall yeah fall in love, fall in love.

Hey

Come with me

Tomorrow ain't guaranteed no

[Ludacris]

Black lights, stamina, uh, uh, uh action!

You been gettin more butterflies than Mike Jackson

'Cause you and me together will meet as one

I'll fly from New York to LA and beat the sun

My other woman never listens but I wish she would

But I wonder can she hear me now, good!

Tell her I'm the King sippin' Cask and Cream

Your hearts jumpin' like a rabbit on a trampoline

She's got pretty feet, big lips, a mean body

I spiced up her life made her Josephine Johnny

She trippin, drop, wobble, wobble and shake, shake

And everytime we jump in the sack she can't wait

To unleash the fury, scratch my back

Then i'm pullin out her hair like track per track

See i'm an 8 figga nigga we can ball above

So i'm a Disturb Tha Peace, you can fall in love

I'm a Disturb Tha Peace, you can fall in love

Luda / Amerie

Why don't we, Why don't we, why don't we fall in love,

Oh no, no no no, why, oh no no, oh, oh yeah
