Most people say
(What they say shawty)
That they think
(What's that? That you all sweet and innocent?)
Well
(Well you is ain't ya?)
Why don't you get to know me
(Aight, c'mon, aye!)

Don't be afraid to touch, I know you think I'm a good
girl
Don't you think a girl like me can be
(Touched)
Don't be afraid to touch, I know you think I'm a good
girl
Don't you think a girl like me should be
(Touched)

He's lookin' like he can't believe this
(Oh)
Always in my jeans
(Oh)
And I bet he don't know what I'm thinkin'
I wanna take him home with me

This here's gonna be my weekend
(Oh)
I don't think he knows that I see him
(Oh)
His body gots me weak and I can't wait to see
(C'mon!)

What it is I really want is
For him to do to me what he wants to
(Oh)
He would want to, yeah
(Oh)

He can come inside my mind
If he tried but he don't know how I want to
(Oh)
Baby, don't you know what you get from me

(What?)

Don't be afraid to touch, I know you think I'm a good girl

Don't you think a girl like me can be

(Touched)

Don't be afraid to touch, I know you think I'm a good girl

Don't you think a girl like me should be

(Touched)

I know I ain't been drinkin'

(Oh)

Damn, he's got me leanin'

(Oh)

All up in my ear breathin'

We over here makin' a scene and

(Oh)

I don't really care who sees

(Oh)

I just want him to feel my love inside of me

What it is I really want is

For him to do to me what he wants to

(Oh)

He would want to, yeah

(Oh)

He can come inside my mind

If he tried but he don't know how I want to

(Oh)

Baby, don't you know what you get from me

(What's that?)

Don't be afraid to touch, I know you think I'm a good girl

Don't you think a girl like me can be

(Touched)

Don't be afraid to touch, I know you think I'm a good girl

Don't you think a girl like me should be

(Touched)

Let me get you where I want you in your best night gown

Yeah, I had a lot of women, you the best I found

If I offer you the chance, you neglect like how

With my hands like damn and my neck like wow

Lebanese, Puerterican, Light Brown

Say they heard I'm the king, wanna test my crown
Swerve on the things on the vet top down
I'm the realest with deals to ever rep my town

So you ever wanna get it off your chest, I'm down
How fly does a G-fly Jet Ride sound?
Triple black family stretcher S-5 down,
And your girl wanna talk about sex right now

While I hate them other rappers but respect my style
How I kiss on the legs while I dress lie down
Amerie, I wanna see with your hair let down
And your body soaking wet on the bed stretched out

Don't be afraid to touch, I know you think I'm a good
girl
Don't you think a girl like me can be
(Touched)
Don't be afraid to touch, I know you think I'm a good
girl
Don't you think a girl like me should be
(Touched)

Yeah, yeah
(Touched)
Yeah I know you wanna be
(Touched)

What's happening
I know you don't know me or nothing man
But I been watching you
Why don't we go have a nice time together
(Baby don't you know what you can get from me)
