Look and you shall find in her eyes  
A tale of damnation in reprise...

Doubt and hesitation, mandatory minds  
Confusion and damnation are the only things she will  
find  
Midst the cloudst, midst the dark blackened leaves  
Unspoken words are the only thing she'll

Retrieve my soul, it still yearns for that day  
Waiting anxiously to be taken away  
To satisfaction, which leads to the kingdom of vain  
A place where people can quietly go insane

A collusion of minds, which were no longer taught  
To be broken by the promise that was hidden in me  
Whisper my name, and secretly desire  
Gargantuan oblivion rages out of the fire

Doubt and hesitation, mandatory minds  
Confusion and damnation are the only things she will  
find  
Midst the cloudst, midst the dark blackened leaves  
Unspoken words are the only thing she'll

Retrieve my soul, it still yearns for that day  
Waiting anxiously to be taken away  
To satisfaction, which leads to the kingdom of vain  
A place where people can quietly go insane

Embrace the sound of the nocturnal children  
For they shall and they will be your only way

She must retain her inner thoughts  
Never let them fade away  
Dark raven haired under my spell  
Until my minute of decay

Whisper my name  
A kiss of immortal delight  
When lightning struck

Thunder by moonlight

She must retain her inner thoughts  
Never let them fade away  
Dark raven haired under my spell  
Until my minute of decay
