Tom

yo this is your appetite talking  
i know your hungry, you just finished power walkin  
i know you think that, your jsut too fat  
let me intoduce you to my friend mr big mac  
you know he wants you to eat em and you want taht too  
i put a big mac in his hands and his smile grew  
now mr big mac hangs out with some guys  
by guys i mean fries, the kind that go good with apple  
pies  
come in big or small size, and i would be suprised  
if you didnt even cry when you got circumsized  
now speaking of apples pies, theyre pretty cheap  
theyre two for a dollar  
gaurenteed to make you holler, (let me speak)  
apple pies hear are two for a buck  
so come over to mcdonalds, burger king sucks

we love to see you smile (apple pie)

Kyle

yo bitch put that cash through that window  
i got a gun and its pointin at that fat hoe  
forget your burgers, forget yo fries  
i dont want yo apple pies cant you see it in your eyes

Tom

excuse me sir your being so rude  
i would appreciate it if you brought down your  
amplitude  
your disturbing all the customers in the room  
man fuck you i came here for cash and not food  
and then the lady shoved a big mac in his face  
by the smile i could tell he loved how it tasted

Kyle

forgive me i was so wrong, im so sick and tired  
of being the antagonist in this song  
i love your burgers, i love your fries  
and i want yo apple pies and i love you guys

we love to see you smile (apple pie)
