Ah-ah-ah, ah-ah-ah, ah-ah-ah.....

Set me free!

Set me free, I wanna be free
Set me free, I wanna be free
Set me free, I wanna be
Set me free
I believe you set me free

Free.... I wanna be free
Free.... I wanna be free
Ah-ah-ah-ah-ah....

Yeah, don't let him make you dance to his tune but I
believe you
Yeah, beat time to the music
I wish I could be set free
(repeat)

Toumei na anata no omoi ga

Set me free, I wanna be free
Set me free, I wanna be free
Set me free, I wanna be
Set me free

Set me free!

Set me free, I wanna be free
Set me free, I wanna be free
Set me free, I wanna be
Set me free
I believe you set me free
