What will i do when you don't need me?  
What will i do when you don't care?  
What will i do if you leave me?  
How will i live when your not there?

Everyone thinks that im the strong one  
Nobody sees that im just scared  
Scared of myself to be without you  
I need you  
I need you  
I do

'Cause half of me is fearful  
Half of me is fearful  
And half of me is wild  
Half of me is wild (but to let you fade away)  
A part of me is woman  
Part of me is woman  
And a part of me is child  
And a part of me is child  
Half of me's been lieing  
Half of me's been lieing  
And half of me's been true  
And i swear i've been true  
A part of me is crazy  
A part of me is crazy  
But all of me is you

What will i do when i don't need you?  
What will i do when ive moved on?  
I wish i could say we'll last forever  
I need you  
I need you  
I do

'Cause half of me is fearful  
Half of me is fearful (if there's nothing more that i can  
do)  
And half of me is wild  
Half of me is wild (but to let you fade away)  
A part of me is woman  
Part of me is woman (if i let the walls open we have

been)  
And a part of me is child  
And a part of me is child (still inside of me you'll stay)  
Half of me's been lieing  
Half of me's been lieing (but no matter how strong i  
could be)  
And half of me's been true  
And i swear i've been true (you will never fade away)  
A part of me is crazy  
A part of me is crazy (in everything that you may do)  
But all of me is you (all of me is you)
