The air cools as the sun sets
My eyes swell with simplicity
The call of pure nothingness
The answer of everything
I find myself lost in your majesty
The rose tells of innocence
Like the child inside me
Its thorns bruise while it's heart weeps beauty
Brave the pain so you may drink of me
You lift me as I

[Chorus]

Walk beside the water
Look up to the moon
Our love becomes a river (rushing wide)
As I run into you

Stars prick their bed of pink bleeding blue
And find their way to your eyes as I stare into you
Self falls away in the twilight
This is the first of our summer nights
Now there is nothing we must be or do
If I could freeze this moment in time
I'd frame it and hang it in the hall of divine
I'd call the whole world and beg them to see
How much we love how lucky I be
You lift me as I

[Chorus]

Walk beside the water
Look up to the moon
Our love becomes a river (rushing wide)
As I run into you

Don't know where I end or begin
Don't know if that's yours or my skin
I feel like I've got nothing to lose
Everything I am I give to you

[Chorus]

Walk beside the water
Look up to the moon

Our love becomes a river (rushing wide)
As I into you
