I've lived so many lies, so many lies
Pretending to be the one they wanted me, to be
I'd forgotten happy days, forgotten what's in me
I don't know what is my way, I no longer see

Tell me who I am, what is living inside of me
I am not the same girl I once used to be
Baby not today but... I will find my way
I fight for my trust, I see who I am, I won't pretend
anymore

[Chorus]

Baby I want you, Baby I need you with me [Moroccan
verse]

I wanna SEEE

Baby I want you, Baby I need you with me [Moroccan
verse]

[Moroccan long Part...]

[Chorus]

Baby I want you, Baby I need you with me [Moroccan
verse]

I wanna see

Baby I want you, Baby I need you with me [Moroccan
verse]

I'll find my way, I will learn to say
What is inside of me, what I want to be
No, I won't pretend to be someone that I'm not, please
don't let me be

[Chorus]

Baby I want you, Baby I need you with me [Moroccan
verse]

I wanna see

Baby I want you, Baby I need you with me [Moroccan
verse]

Baby I want you, Baby I need you with me [Moroccan
verse]

I wanna see

Baby I want you, Baby I need you with me [Moroccan
verse]
