Resisting giving into my weakness
I have to connect with something real
I reach out for you I know this is the first step
Of being free from the chains that bound me

(Pre-chorus:)

I look to you for strength I look to you for freedom
For you are the only one who has the truth
I may have wonder off but I'm coming back running
I look to you to be my everything

(Chorus:)

I am weak when it comes to changing
You are strong when it comes to anything
Break me, crush me to submit to you
Take me, hush me to hear you
You hold what i need to escape it all
Forgetting all that you've shown me
It's lost in the mist of my empty thoughts
I need a refreshment of what you've done for me
I need to open my eyes to see you

(Pre-chorus)

(Chorus)

So far away
Fall down, I pray
Hold me always
All of my days

So far away from everything you are
Fall down, I pray move me do your worst
Hold me always I want to stay with you
All of my days you'll bring me through

(Chorus)

(Pre-chorus)

(Chorus)
