I don't deserve your mercy
I don't deserve your grace
I don't deserve anything
So I give you everything

(Pre-Chorus:)

Sovereign, faithful, righteous, merciful
Sovereign God, my life is yours

I am never alone
You are always holding me
I am always safe
You are always keeping me
(Pre-chorus)

(Chorus:)

I stand before you know broken
Purify me with your blood restore me

My life is yours

I am weak you are so strong
I've lost you move me on
I spill you fill my cup
I fall you life me up
(Repeat)

(Chorus x2)

My life is yours (x3)
