It seems like weeks since you looked at me baby

without that look of distaste

I don't know why your feelings are changing

but I've seen it in your face

All those times when our lips were kissing

our tongues were telling lies

And all those signs that I've been missing

were right there in your eyes.

So come on babe, let's kiss this thing goodbye.

I sometimes feel when we're together baby,

everything has turned out wrong

and I know you feel exactly the same way

but still we carry on.

I've been waiting up by the window

watching these cars go by

And I tell myself that I'll go through the motions

for the last time tonight.

So come on babe, let's kiss this thing goodbye.

Now I'm watching the fumes foul up the sunrise

I'm watching the light fade away

And I'm hoping tonight that I'll open the door

and you'll stand here and say

Come on babe, let's kiss this thing goodbye

Better make it sooner than later

Before it all turns sour

We'd better kiss this thing

Goodbye
