Baby, hold it, just let me try  
For just one minute be this other guy  
Live his life  
With my home and my faithful wife  
And your pretty face to kiss some nights  
Ain't I a lucky guy, I get what I want  
Ain't I a lucky guy, unlucky for some.  
Baby, I like it, it feels alright  
Now that I see it through his cheating eyes  
I can't stop smiling  
How could I not be satisfied  
So glad I ain't the one on the losing side  
Ain't I a lucky guy, I get what I want  
Ain't I a lucky guy, unlucky for some.  
No need to feel guilty baby  
I'm happy to be  
The one that you come to babe, instead of me  
So I don't know where tonight  
Love will lead me but that's alright 'cos  
Ain't I a lucky guy, I get what I want  
Ain't I a lucky guy, unlucky for some
