Today
I hear my anger
And it's screaming at me
Your words
Attack my senses
And make me scream

Looking back and forth at you
Should I, should I
Waste my time now?
Looking back and forth at you
Should I, should I
Pay no mind now?

Today
Inside my eyes
I'm clenching my fists
My hate
It burns inside of me
Inhuman thoughts cloud my mind

Looking back and forth at you
Should I, should I
Waste my time now?
Looking back and forth at you
Should I, should I
Pay no mind now?

What did I ever do
To deserve this from you?
When will this fade out?
And when you eat your words
Will you still never learn?
Don't let words get around

Looking back and forth at you
Should I, should I
Waste my time now?
Looking back and forth at you
Should I, should I
Pay no mind now?
