Though I might remember those who listen to me
carefully
Just call my name
Just call my name

Fate is a dream I don't understand
Oh, oh
Fame only means fame in your hands
Oh, oh

Just call my name
Oh
Just call my name
Oh
It's all the same

Though I might remember those who listen to me
carefully
Just call my name
Just call my name

Though I might remember those who listen to me
carefully
Just call my name
Just call my name

Tell all the lies you keep to yourself
Oh, oh
Tell all the strangers that you need help
Oh, oh

Just call my name
Oh
Just call my name
Oh
It's all the same

Though I might remember those who listen to me
carefully
Just call my name
Just call my name

Though I might remember those who listen to me
carefully
Just call my name
Just call my name

Just call my name
Oh
Just call my name
Oh
Just call my name
Just call my name
Just call my name

Though I might remember those who listen to me
carefully
Just call my name
Just call my name

Though I might remember those who listen to me
carefully
Just call my name
Just call my name
Just call my name
