Yeah  
My shadow stretches far and free  
Yeah  
It's telling me what I could be  
Could be

Cause I'm tired  
Of looking up  
All the time

We'll stand on top of the world  
Looking down  
We'll stand on top of the world  
Looking down

Yeah  
We'll set ourselves apart in time  
Yeah  
And then we'll leave it all behind  
I'll rise

Cause I'm tired  
Of looking out  
For the line

We'll stand on top of the world  
Looking down  
We'll stand on top of the world  
Looking down

We'll stand on top of the world

Yeah  
Is anybody here like me?  
Yeah  
Can you face the sound  
And decide?

We'll stand on top of the world  
Looking down  
We'll stand on top of the world  
Looking down

We'll stand on top of the world  
Looking down  
To rise above on our own  
Looking down
