Chorus \*Ferhad\*

I always feel like somebody's watching me  
Can't get no privacy  
I always feel like somebody's watching me  
Tell me is this just a dream

\*Point\*

Who dat? Who dat?  
Spectator, watchin' me as the innovator  
Fans holler return of the rhyme professor  
High profiler AIM winner  
Trend settin' pioneer blastin' through your speaker

\*C.Loco\*

No one knows what I feel cos you're not who I am

\*Point\*

Mysterious like the Gambino fam

\*C.Loco\*

To compensate you see me I maintain  
To please everyone who wants the same fame

\*Landslyde\*

Aeiyo aeiyo switch on video now play on play on I'm on  
the radio  
Gettin famous makin' more dough than Amos  
Emcees rockin' the stage real entertainers

Chorus

\*C.Loco\*

Is it real that I feel what I feel  
What's the deal the eyes surround me but I still  
Can't get accustomed to the spotlight  
Uncomfortable target of all eyesight  
Somebody's watching my every move  
Can't be myself or do what I choose  
Public figure

\*Point\*

A lifestyle I can't still figure  
Sportin' Tommy Hillfiger competitors think they bigger  
Excess glamour equals envy cats see my face daily on  
the telly  
So uh, heck with that privacy invasion  
Gainin' high status just adds more confusion

## Chorus

Break \*Ferhad\*

Feel like watching me, feel like watching

\*Yogi B\*

I know you really wanna see me, drop the beatbox

Show the kids how to bring the party to rock

Coz you know I've been livin' the hard knocks

Now my fans comin' up in flocks

\*Landslyde\*

Transformin' for your eyes just like autobots

Electrifying the grooves I be the gigawatts

\*Yogi B\*

You see me now on ya TV box

My video clips bringin shock, shock, shocks!

Some of ya'll watch with love some of ya'll envy

But remember I can see you watchin me, Come!

\*C.Loco\*

Big or small I pass em all

Now everyone everywhere wanna see you fall

\*Landslyde\*

My privacy somebody's watching me

Like the jealousy, there's no stoppin' me

\*Point\*

Everyday yo, like Harry Belafonte

Still makin' the cream with my forte

## Chorus

Get down down down, come on baby just bounce

Everybody get down down down, come one baby tell
