What have we here?
A beautiful woman it would appear
With a perfect body, perfect face
Wish you were mine to embrace
Cause I would never let you go
I would hold and love you so, so, so so much
And now I'm achin for your touch of paradise, thats
nice

Yeah honey
The way you shake that thing
You make me wanna dance
You make me start to sing
Honey
The way you strutt your stuff
I just want more and more
Cause I can't get enough yeah

Now you've caught my eye
My head is way up in the sky
I am ready to explode
Until she hits that road

Baby the way you shake that thing
You make me want to dance
You make me start to sing

Honey
When you strutt your stuff
I just want more and more
Cause I can't get enough

Ow!

Baby the way you shake that thing
You make me want to dance
You make me start to sing
Honey
When you strutt your stuff
I just want more and more
Cause I can't get enough

I just can't get enough
I just can't get enough
I just can't get enough
I just can't get enough
I just can't get enough
I just can't get enough
I just can't get enough
I just can't get enough
I just can't get enough
Get enough get enough
Get enough get enough
Get enough!
