Chorus: We run to You, You make us strong. You are
our God, we are Your
Own. Bought with Your blood, held by Your love, Oh
Holy lamb, to You we
Run.

1) Show us Your ways, write them in our hearts, bound
them in our steps.

Grant us the strength, to hold them ever near. so we
will not forget.

Chorus

2) We will remember, Angels are around when trouble
is drawing near. And we

Will stay strong, knowing they are sent to keep our
paths clear.

Chorus

3) With all our might, we will follow You. You will walk
with us and we

Will carry on, though all the world be shaken, we know
that You will
Overcome...

Chorus
