There is no one like our God
All kingdoms will kneel in worship to you
There is no one like our God
No higher love with beauty on display

With all that I am
With all that I have
I will worship you, Jesus, alone
There's no other God
No other one
Whose love I can depend upon

There is no one like you, Lord
Your grace flows down like a river from your throne
There is no one like you, Lord
Your eyes have captured me
Now I live for you alone

With all that I am
With all that I have
I will worship you, Jesus, alone
There's no other God
No other one
Whose love I can depend upon

With all that I am
With all that I have
I will worship you, Jesus, alone
There's no other God
No other one
Whose love I can depend upon

Yeah, Hey
Beautiful One

With all that I am
With all that I have
I will worship you, Jesus, alone
There's no other God
No other one
Whose love I can depend upon

With all that I am
With all that I have
I will worship you, Jesus, alone
There's no other God
No other one
Whose love I can depend upon
Whose love I can depend upon
