You and I have been alone tonight,  
Workin' through these changes in my life.  
You took my heart and You brought me to,  
To see a side I 'd never seen in You.

You've rescued me,  
And now my eyes can see,  
You brought a change in me,  
You set my spirit free...  
You rescued me!

The love from You has left me so amazed,  
Now my soul is drowning in Your grace,  
More of You is what I want in me,  
Your sacrifice has been the death of me

You've rescued me,  
And now my eyes can see,  
You brought a change in me,  
You set my spirit free...  
Yeah You rescued me!

I'm coming out of the dark,  
I'm coming into Your light,  
I'd give my life for the way,  
I live for You this day.
