..... dressed by emotion  
Your smell surrounds me  
My skin turns to feel you  
And needless to say  
A speck wants to drown me  
I'm leaving this world  
So no one can find me, find me, find me

Chorus:  
She's my lover  
She's my lover now  
She's my lover

Sea .....  
And comfort .....  
Can take this rejection  
Flows to my bone  
I'm leaving to find you  
.....  
Your silence .....  
Of violence and all  
Chorus

We can work it out for two  
We can work it out for two

Chorus

What am I supposed to do?  
What am I supposed to say?  
What am I supposed to do?  
She's my lover  
What am I supposed to do?  
What am I supposed to say?  
What am I supposed to do?  
I really love you  
She's my lover
