Out of my mind

I get happy
I get bitter
I can even miss a city
I get broken
I get mended
I can sometimes get offended
I get comfort
I get violent
Now and then I ...
I get halved
And I get double
Frequently I get in trouble
But this one thing that I found
I can't get you out of my mind
I can't get you out of my mind
I get angry
I get fitter
Can't believe I've missed the city
I get soaken
Then get dried up
It's not time to clean my line up
I get homely
I get distant
I'm so lonely 'cos I missed you
With these feelings I'm revealing
What it is that I am feeling
But this one thing that I found
I can't get you out of my mind
I can't get you out of my mind
