I can't go through all this
It's too fast, too much I miss
I'd better stop it now
But how, I don't know how
And now time is passing slowly
I really want to go
I can't stand it anymore
I don't know what's all this for

Am I wrong?
Is it my mistake?
Are they real or are all these things fake?

Please let me out of here
I've had it with this fear
And I just cannot stay
I gotta get away

Am I wrong?
Is it my mistake?
Are they real or are all these things fake?
