I admit
I'll be here
To never let you down
All of it
Has been clear
Even before you came around

[Chorus:]
I'll be here
I'll free you
If you let me
I'll appear
Whenever you
Might need me

Your spirit
Will be freed
From all that holds it down
I commit to the deed
That helps you to get found

[Chorus:]
I'll be here
I'll free you
If you let me
I'll appear
Whenever you
Might need me

I will carry you along
I will get you through alone

[Chorus:]
I'll be here
I'll free you
If you let me
I'll appear
Whenever you
Might need me
A tiny sphere
Embracing you
Eternally
