All in arrest  
You've gripped my heart tight  
My mind is a mess  
And I'm preparing my flight  
I guess that's just what I must do  
Only for you

I'm running [x3]  
Just for you

My world's in arrest  
I've cried my heart out  
I have failed all your tests  
And I've ripped my heart out  
I guess that's just what I could do  
Only for you

I'm running [x3]  
Just for you

All of my weaknesses are there for you to see  
We're not just the witnesses of what will come to be

I'm running [x4]  
Only for you  
I'm running [x3]  
Back for you
