The memories we have
I'll keep them
In a photograph
I'll keep them

Will I remember
Everything we've had when I am far away from you
You're the one I can depend on
And you've proven that with every little thing you do

All this time
Devoted friend of mine

Will I ever be able to pretend that
I don't regret that I'll be leaving you behind
It was never so hard to understand that
It's a different path from yours that I will have to find

Although we'll be apart
You're staying in my heart

The memories we have
I'll keep them
In a photograph
I'll keep them
I'll keep them all inside
I'll keep them all inside

They're my treasure
My treasure
They're my treasure

Until the end of time
You'll be a friend of mine

The memories we have
I'll keep them
In a photograph
I'll keep them
I'll keep them all inside
I'll keep them all inside
