Where are you when I need your hands  
To hold me and not let me fall  
And sink into the deepest sands  
That fill my deserted soul

You, you destroy my faith in true romance

You said that you'd always be with me  
I never doubted that it was true  
Until your indifference hit me  
I never thought you could be so cruel

You, you destroy my faith in true romance

And just when I began to believe  
You're saying that you gonna leave  
Just when I began to believe

You, you destroy my faith in true romance
